

# Overview of the 4 Phase Framework

## Phase 1: Distance Learning

School campuses remain closed and **distance learning** continues

## Phase 2: Hybrid

In phases, identified cohorts come to campus for a **portion of the school day, (2x per week.)** (This may include beginning with students who have higher needs)

Distance learning continues when students are not on campus.

This phase will be a slow introduction of in-person learning

## Phase 3: Expanded Hybrid

Cohorts of students in grades TK-8 come to campus for the **entire school day, 2x per week**

Distance learning continues when students are not on campus

## Phase 4: Return to Traditional

Students return to **full day in class instruction** on school campuses, following the traditional school schedule
