Attention

Student & ID:

Welcome to _____ Elementary. We want to introduce you to ParentVUE, which is a web portal that allows parents/guardians to access their child's current information. If you have multiple children in CUSD, you will have access to their information as well with this activation code. This includes access to:

- Attendance
- Assessment Information
- Student Information - Attendance, Class Schedule, Student Info (emergency contacts), Test History, Communication

This program is a tool to establish a communication channel between home and school. ParentVUE is new for elementary schools this year. This requires you to set up your ParentVUE account. Use the information below to login to ParentVUE for the first time.

NOTE: If you already have a ParentVUE account for a child in middle school but do not see your elementary student connected, please contact the school to have your elementary child linked to your existing account. **Do not** create a new account.

At this time, StudentVUE is not available to elementary students.

How to create a new account:

1. Using the district website (<https://www.cusdk8.org>), click on the "For Families" tab, then click on "ParentVUE Portal", then click on the ParentVUE Login link. (<https://parentvue.cusdk8.org>).
2. Click "I Am A Parent" then click the link "I have an activation key and need to create my account".
3. Read the Privacy Statement, then click "I accept".
4. At Step 2 of 3, type in your first name, last name and the activation key as they appear below. Then continue on to Step 3.
