

CUPERTINO UNION SCHOOL DISTRICT
Procedures for Receiving a Free or Reduced Price Bus Pass

In order to receive a free or reduced price bus pass a parent must fill out a free or reduced price meal application with the Student Nutrition Services Department. Applications are available in the SNS office or online at cusdk8nutrition.com. Applications should be mailed or dropped off to the SNS office at 10301 Vista Drive, Cupertino. They are open Monday through Friday from 7:00 am to 3:00 pm.

The SNS Department accepts free and reduced price meal applications from July 10th through the last day of school. Once the application has been processed by the SNS office, the parent will receive a letter stating what they qualified for.

Once the parent receives the letter they should contact Pam Mackey in the Business Services Office to finish the bus pass application process. Reduced-fee bus passes are at a 25% discount.

*Transitional kindergartners and kindergartners new to the school district must wait until July 10th to apply for free or reduced meals.
