Final decision: Attendees aligned on which portions of the budget should come from the supplementary fund, and the school principals will present the full budget to the next CLIPCO meeting.

***Parcel Tax discussion:***

Attendees discussed the current status of the parcel tax in preventing CUSD school closing, and different parents/school/district views on the parcel tax. Note that with a "yes" vote on the parcel tax, a CUSD school is not expected to be closed for financial reasons. But a CUSD school can still be closed due to other reasons such as low enrollment.
