

August 30, 2019

I am delighted to report that we have had a very smooth start to our school year. Our Back to School Nights are all done, are students are settled in their new classrooms, and all of our Music, Art, Library, Tech (MALT) and PE classes have begun. Next week Susan White, our instructional assistant, will begin working with kids in grades K-5. It's a really nice feeling to have all of our structures in place.

Please read on for some additional information, and enjoy a wonderful Labor Day weekend. I'm going camping with my family in the redwoods! -*Adrienne*

After School Classes

Though we are not able to advertise directly for our vendors who provide after school classes at Muir, you are able to view all of their offerings by visiting our [PeachJar page](#). Please visit now to see what classes are available – they include art, Math Olympiads, a variety of sports, robotics, and communication classes.

Book Fair

Our bi-annual Scholastic Book Fair will take place beginning September 23rd. This is a great way to buy books for home and as gifts while also earning money for our library to purchase additional titles. Please plan to visit after school or during our annual International Potluck and Talent Show on the evening of Thursday, September 26th.

Parent-Teacher Conferences

During our seven school days of parent-teacher conferences, October 3rd-11th, students will be dismissed at 1:10pm. Please plan accordingly. Around mid-September, you will be hearing from your child's teacher regarding how to sign up for your conference time.

PTA Meeting

All are welcome to join at the first PTA meeting of the school year. It will be Wednesday, September 11th, at 5pm in our GLC. I will update you all after that with information about our fundraising efforts so far.
