

November 19, 2019

I hope you all enjoy a wonderful week with friends and family next week. My family and I will be spending the first part of the week in Point Reyes, one of our favorite places, and the second half at home, eating turkey and pumpkin pie with our local family members. We will not be doing any shopping! Instead, we'll be hiking, catching up on my middle schooler's homework, and playing! -Adrienne

Box Tops

Turning in Box Tops clippings has earned John Muir some extra spending money each year. The Box Tops program is transitioning to a digital format using an app. Learn more about it [here](#). But keep turning in Box Tops clips to the office as long as they are out there because we will still earn money for those, too!

Spread the word about our school!

We would love to increase our enrollment for next school year! We know there are some local families who choose private school without knowing how wonderful John Muir really is. Feel free to share the information in [this flyer](#) with your friends and neighbors. The registration window for next school year is December 2 – February 12, and the open enrollment window is February 24 – March 12.

Lost and Found

All items in our lost and found will be donated to a charity during the December holiday break. Please come by school before then to gather anything that might belong to your family.

The Grandparents Are Here!

This is the time of year when many of you have family visiting from out of town, and they sometimes like to come to school to see their little relatives. Please remind them that adults are not allowed on campus during school hours. They may drop off a lunch in the office, but then they should go home. This helps us to keep our campus safe and free from distractions to our students and our busy staff. THANK YOU!

Reminders

- Special Board Meeting for Miller Feeder Schools is this Thursday, November 21 @ Miller at 6PM.
- Our annual spelling bee is this Wednesday and Thursday at lunch in room 14, and it's open to grades 3-5. This event is for students only.
- Please drop off your used Legos, and any cardboard tubes from toilet paper, paper towels, and wrapping paper, in our front office. These items will be used for projects in our Maker Space.
